Summary

Currently pursuing a BSc (Hons) in Software Engineering, I am passionate about UI/UX design and web development, with a strong foundation in user-centered design principles, responsive web technologies, and modern front-end practices. I am driven to create intuitive, visually appealing, and user-friendly digital experiences that solve real-world problems, and I am seeking an internship or entry-level opportunity where I can apply my skills, contribute to impactful projects, and continue growing in a dynamic technology environment.
